build app

build admin dashboard

build landing page

Describe their project management. Did they deliver items on time? How did they respond to your needs?

Very solid team, highly knowledgeable, great to work with, very responsive, highly recommend

What was your primary form of communication with UpCodo Digital?

- Virtual Meeting
- Email or Messaging App

What did you find most impressive or unique about this company?

They know what they're doing.

Are there any areas for improvement or something UpCodo Digital could have done differently?

They're prompt and on point, little faster communication, if I had to say anything. This is also a "me" thing, as I always want things super fast.
