

Mobile App Development for IT Services Company

PROJECT DETAILS

 API Development, Mobile App Development

 Nov. 2024 - Jan. 2025

 Confidential

 *"Everything was effectively managed."*

PROJECT SUMMARY

UpCodo Digital developed an Android and iOS mobile app for an IT services company. The team added login functionality, set up a landing page, and configured Firebase Cloud Messaging for push notifications.

PROJECT FEEDBACK

UpCodo Digital successfully delivered the app on time, providing a smooth UX and perfect code. The team held regular meetings to review progress and utilized external tools for gathering feedback and requirements. Moreover, UpCodo Digital's coordination and documentation were impressive.
